## **Chapter 1: How You Approach Life and How You Appear To Others**

### *Capricorn Rising:*

Cautious, prudent, and rather self-contained, you are a person who approaches life realistically and who is not inclined to take foolish chances or get carried away by the overly optimistic or idealistic schemes of starry-eyed dreamers. In fact, you frequently have a jaundiced view of such things. You are rather worldly-wise at a fairly young age, even something of a cynic. Often the world doesn't seem like a safe, friendly place to you, and you tend to approach life in a guarded, conservative manner. You are generally calculating and careful, and are rarely spontaneous, fluid, open, and childlike.

You are pragmatic, shrewd, and an excellent strategist, carefully planning your moves for maximum effectiveness and advantage. You are willing to work long and persistently for what you want and you often do things the hard way. You do not expect others to take care of you and sometimes refuse or simply don't seek any outside help. You are often very ambitious, but quietly so. There is nothing flamboyant or flashy about your approach. You are very responsible, conscientious, and very concerned with your duties to others and how you appear in society, your "rank" so to speak.

To others you seem mature, serious, quiet, reflective, and emotionally detached. You dislike sloppy sentimentality and won't openly display your feelings, especially the softer ones. You like to always appear poised and in control and hate to show any weakness, vulnerability, or chinks in the armor.

You respect tradition and the time-honored way of doing things, and you feel there is much to be gained from studying history and also by learning from older, more experienced people. A wise mentor or father is often your guide in life, and you in turn develop a great deal of hard-earned wisdom which you like to impart to younger people.

You have a stern, authoritarian, no-nonsense aspect to your personality. You expect much from yourself and may not give yourself enough room to experiment and make mistakes.

You also tend to be rather close-fisted, to save and conserve your money and resources rather than spending, enjoying, or splurging with them. You spend money on things of quality and of lasting value, things which are good investments, but not frivolous, temporary pleasures. There is a bit of the ascetic in you. You have great self-discipline and self-control and can "do without" very well. Your tastes are generally understated and simple.

Though you may have other, more colorful and imaginative sides, the face you show the world is modest and rather conservative.

## **Chapter 2: The Inner You: Your Real Motivation**

### *Sun in Libra:*

Harmony and balance are your keynotes. You instinctively understand the need to accommodate other peoples' interests and desires, and you are always fair and willing to meet the other person half way. Tactful, diplomatic, and with considerable social awareness, you do all you can to avoid conflict and discord. You express a spirit of cooperation and compromise and often achieve through charm and discretion what would have been impossible to achieve by a direct, forceful approach.

Getting along with others and pleasing them may be TOO important to you, for you can be too dependent on others' approval and opinions to make your own decisions. You will rarely act without getting the counsel and feedback of other people. You prefer sharing and doing things together rather than on your own. Being alone feels very unnatural to you, and you have a strong need for a partner and intimate one-to-one relationships.

You invest a great deal of your energy in personal love and you are very idealistic and romantic about marriage. You seek a partner who is your equal intellectually, and who is capable of a mental relationship as well as a physical and emotional one. You make a thoughtful, considerate friend or lover, and you enjoy the traditional symbols of love - courtship, flowers, etc. Relationships are like an art to you, one that requires time, attention, and creative effort. You appreciate a partner who is subtle and polished, never coarse or dull or blunt.

Fairness and equality, both in your personal life and in the world, are extremely important to you. If you fight about anything, it is often about something you feel is unfair and unbalanced. Balance is very important to you and you believe in moderation in all things, avoiding fanaticism and extremism of any sort.

You also have a strong need for beautiful, harmonious surroundings and a natural sense of artistic style and grace, which is reflected in the way you dress, furnish and arrange your home and workspace, etc. Everything must be aesthetically pleasing and appropriate. Either working with people as a counselor, advisor, consultant, or negotiator - or in an artistic field such as design or photography, would be fulfilling to you.

#### *Sun in 8th house:*

You crave intense experiences and are attracted to aspects of life that are strange, unfathomable, or taboo. You may hide your interests or inclinations, except from those who know you very intimately. You are rarely content with yourself and your life, and you have an inner urge to be continually going farther or deeper than you ever have before. You also have a strong interest in social power and the role that money and economics play in people's lives.

#### *Sun Conject Pluto:*

Inwardly you are zealous and fanatical, though you may hide your personal desires and intentions, and

the intensity of your feelings. You are driven by a deep inner sense of destiny and mission and an almost compulsive desire for personal recognition. You have an infatuation with power and are incredibly willful and stubbornly fixated on achieving greatness or being Somebody Special. You tend to worship heroes who have powerful personal magnetism and charisma, and often seek to emulate them. You have potential for tremendous good or tremendous evil.

*Sun Sextile Neptune:*

You are imaginative and sensitive to anything colorful, beautiful, or magical. You are attracted to artistic and creative pursuits, music, and mysticism. Your spiritual values color your whole perspective and approach to life. You are idealistic and perhaps impractical.

### **Chapter 3: Mental Interests and Abilities**

*Mercury in Libra:*

One of your greatest assets is your ability to see both sides of an issue, and to negotiate and bring about compromise and reconciliation. Tactful, reasonable, and with considerable social finesse, you work well with people in business as well as in personal relationships. You are objective and somewhat detached from emotional bias, and make an excellent consultant, mediator, or public relations person. You insist upon fairness and seek to bring harmony or at least peaceful coexistence between people, and your diplomacy is a benefit in any business or social situation. You also have fine aesthetic sensitivities and could work in an artistic or cultural environment.

*Mercury in 9th house:*

You have an unquenchable thirst for knowledge and wisdom and for an ever broadening understanding of life. You are the perpetual student and will be involved in higher education, philosophy, or religion. Law, broadcasting, publishing, or the field of communications are also areas that interest you. World travel and studying other cultures are also strong urges of yours.

*Mercury Opposition Jupiter:*

You have an abundance of ideas, interests, and plans for the future, and may find it difficult to focus on any particular area. You are not a specialist for you seek to get the broad overview, to see the whole picture rather than closely examining any of its component parts. Philosophy, religion, or other areas of

theoretical speculation interest you.

You also possess foresight, numerous enterprising ideas, and a gambling instinct, all of which contribute to your success in the world of business. However, your optimism and grand vision can get you in trouble too; you sometimes promise more than you can deliver, gloss over important details that come back to haunt you later, and overestimate the potential of an idea or product.

Traveling is a great love of yours, especially if there is a mind-expanding or educational aspect involved, and you may travel extensively in your work. Consulting or education would be good fields for you.

*Mercury Trine Mars:*

You speak clearly, decisively, and convincingly, and thoroughly enjoy a vigorous discussion or debate. You would be an effective lawyer or public speaker, a salesman of ideas. Others tend to listen to you and follow your lead, and you have a talent for directing people and making decisions. You also have an aptitude for writing, especially criticism or satire.

*Moon Sextile Mercury:*

You would be an excellent teacher or counselor for you listen sympathetically, and encourage others to express their inner thoughts and feelings. People trust and confide in you, and you are able to read between the lines and to sense what their feelings are as well as what they are saying. You work well with and understand women, and the emotional, feminine side of life. You are articulate on personal (rather than factual or technical) subjects. Keeping a diary or journal would be satisfying for you. You also have a talent for learning languages.

## **Chapter 4: Emotions: Moods, Feelings, Romance**

*Moon in Leo:*

Warm, loving, and generous in your affections, you inspire tremendous devotion and loyalty in your loved ones. This is good, since you would never settle for anything less! You want to be adored and worshipped like the king or queen that you feel you are, and it is difficult for anyone to resist the warmth and attention you lavish on those you care about. You have a great deal of pride and need to be recognized and appreciated. The way to really hurt your feelings is to ignore you. You are genuine, sincere, and have a strong sense of personal integrity. You hate emotional games and dishonesty.

*Moon in 7th house:*

You depend a great deal upon other people for emotional support and you have a large "family" of friends that care about you and treat you as kin. The women in your life are particularly important to you, and your relationship with them powerfully influences your sense of security and happiness. You may be overly dependent and unsure of yourself without a close partner.

*Moon Trine Jupiter:*

You are easygoing, agreeable, and tolerant, willing to overlook others' mistakes, forget the past, and begin again on a positive note. You enjoy making others comfortable and happy, and sometimes overdo your generosity. You often feel that "everything will turn out all right no matter what I do", and so become lazy and lackadaisical.

*Moon Sextile Mars:*

You are assertive and confront difficulties in a direct, no-nonsense sort of way. You cannot tolerate self-pity or passivity, and you can be rather brusque with others' emotional problems. "Stop crying and DO something about it" might be your motto.

*Venus in Leo:*

Warmhearted and generous in love, you cannot tolerate pettiness or stinginess in your partner. You want a Hero, a Prince or Princess to idolize and adore, someone you wholeheartedly admire and can be proud of. You are tremendously loyal and devoted once you give your heart to someone.

You crave love, appreciation, and attention from others and hate to be ignored. You are rather susceptible to flattery and love to feel SPECIAL. You enjoy some drama and color in your love life and grand romantic gestures or an extravagant expression of generosity impresses you.

*Venus in 7th house:*

You are a very personable, affectionate, loving friend and will always have many people in your life who love and cherish you. You prefer being with others rather than on your own, and you feel very incomplete without a special person in your life to share your love with. Being half of a close, loving couple is very important to you.

You are a peacemaker, the one who adapts, harmonizes, and makes concessions for the sake of the

relationship. Your charm and agreeableness makes you very popular.

*Venus Sextile Mars:*

You are warmly romantic and openly express your appreciation and love of the opposite sex, though rarely in a crude or insensitive manner. You enjoy playing match-maker and bringing people together romantically. Fulfillment and harmony in love is likely for you because you know what you want and need in a romantic sense and express those desires honestly.

*Venus Sextile Uranus:*

You are open and progressive in your attitudes towards love and romance, and spontaneous and free in your love-expression. You are always willing to experiment and try anything new that your partner suggests, and you enjoy being surprised. A relationship in which both you and your partner have a good deal of freedom and independence will hold your interest much more than a safe, predictable one.

## **Chapter 5: Drive and Ambition: How You Achieve Your Goals**

*Mars in Gemini:*

You are a "busy bee" - energetic, restless, and forever on the go. Your active mind is always buzzing with ideas and you find it difficult sometimes to relax, slow down, or take time to reflect and replenish yourself. You tend to live on nervous energy. You can accomplish much in short bursts but projects that require long-term commitment, stamina, and steady, persistent effort are not easy for you. You often scatter your energies into so many directions and activities at once that you cannot finish or follow through on some of them. You need variety, change, and mental challenges.

You have a sharp and eager mind, and you enjoy games and competitions that have a mental component. You like to match wits with someone else.

You often achieve your desires by your verbal skill, your ability to speak clearly, vigorously, and convincingly for what you want. Your drive and energy is more mental than physical. You use your wit, intelligence, communication skills, social sophistication, and awareness to achieve your goals.

*Mars in 5th house:*

You play vigorously and enjoy competitive games and physical rough-and-tumble activities. Athletics and/or physical activities have great appeal for you. You take the initiative in sports and also in romance: you are ardent in pursuing ANYTHING you desire.

*Mars Sextile Jupiter:*

Your self-confidence and vitality are strong and you believe you can do just about anything you want to. You have an enterprising spirit, a good sense of timing, and the ability to sense what will succeed and what won't. You usually make fortunate decisions in work or business activities. You enjoy healthy competition and you have a rather playful, good-humored attitude toward it. You mostly compete with yourself to see how far you can go or how much you can accomplish. You like to keep stretching your limits.

## **Chapter 6: Other Influences**

*Jupiter in Aries:*

You believe strongly in the power of positivity and in each individual's ability to make life anything desired through one's own initiative and effort. The more you rely on yourself, the better you feel, and you find it difficult to ask for or accept outside help. The joy of competing (and especially winning!) runs deep in you.

*Jupiter in 2nd house:*

Wealth, material well-being, and prosperity are very important to you, and you would never choose a profession that didn't offer you great promise and opportunity for growth (financial and otherwise).

You are very generous and sometimes careless with money; you don't want to hold on to it, you want to enjoy it and use it to enrich your life. Whatever you do with your money, you do in a big way - making it, spending it, or blowing it! You may accumulate elegant, high quality things (art, jewelry, etc).

*Saturn in Leo:*

You are very self-conscious and have a great need for ego-affirmation and praise. Expressing yourself freely, openly, and unself-consciously is not easy for you. You tend to work hard at playing and "having fun", rather than being light-hearted and spontaneous. Developing self-love and self-acceptance regardless of your "performance" is an important task for you.

*Saturn in 7th house:*

You take your commitments to others very seriously, especially in close one-to-one relationships. Your strong sense of responsibility to the other person makes you a trustworthy and dedicated partner, but you often feel that marriage or any binding commitment between yourself and another person is too restrictive and burdensome, and thus seek to avoid it. Close relationships may be more work than pleasure for you and it may seem that you are always "working on" your marriage rather than enjoying it. You will persevere and ultimately grow through the process, however.

*Saturn Square Uranus:*

You become tense and upset rather easily. You become irritated by the unwillingness of others to make changes. Very serious about bringing your inspirations into concrete form, you are inclined to forego tact and diplomacy in order to accomplish your goals. Your occasional outbreaks of brusque, insensitive behavior often do more harm than good.

*Uranus in Scorpio:*

You are part of a 7 year group of people who break up all manner of taboos regarding death, sex, and any other personal, private, or difficult topics. Your age group is less modest about sex than other age groups and promiscuity is not uncommon. You love emotional intensity, and there are many extremists and fanatics in your age group.

*Uranus in 9th house:*

You are unconventional, even iconoclastic, in your attitude toward religion, philosophy, and politics. You tend to see traditional religion as restrictive, meaningless ritual with little to offer you, and you're eager to experiment with other, alternative pathways. You have lots of creative, innovative ideas and you often feel that others are unwilling to take risks and venture out of their deeply ingrained perspectives and views.

*Neptune in Sagittarius:*

You are part of a 14 year group of people that are extremely idealistic and farsighted in their dreams. Your age group is very liberal and expansive in outlook, and consequently churches become much more flexible and more eclectic in their approach during your life time. Religions that do not adapt to the

broad-minded attitude of your age group simply are unable to attract very much interest and involvement from you.

A great deal of metaphysical musing and speculation is evident in your age group, and there is a very strong interest in all manner of psychic phenomena, UFO's, prophecy, etc. This interest will open many new doors and insights, but will also often lead to a great deal of fantasizing and speculation that is taken more seriously than it should be.

*Neptune in 10th house:*

You are a very idealistic person, and you want to see your ideals, hopes, and dreams made concrete and real in the everyday world. You are driven to put your ideals into action.

When young you may be rather aimless or confused about your place in the world. In early adult life it is likely that you struggle to find ways to express your imagination, fantasies, and ideals in your career. Work that involves compassionate service (such as medicine or the ministry) may be your calling. If you lack personal integrity and honesty, you quickly go to the opposite extreme and you can con others through dishonesty and trickery. Music, art, film-making or entertainment are also areas in which you are well-suited.

*Neptune Sextile Pluto:*

The entire generation to which you belong has tremendous opportunities for spiritual rebirth and awakening. This will not be forced upon you or precipitated by unavoidable events, rather it comes from an inner yearning and a natural propensity to seek the depths.

*Pluto in Libra:*

You are part of a 12 year group of people who are deeply interested in personal relationships. Your age group has a deeply-rooted yearning to see people relating and communicating with each other effectively and harmoniously. There is little egotism and a willingness to hear the other person's side of the story and a readiness to compromise and arbitrate different points of view. In fact, the need for harmonious, peaceful relationships is so strong that there is a tendency to overlook real differences and to focus only on the similarities in an attempt to bring different parties into harmony with each other.

Interest in psychology and sociology is high in your age group. There is a tremendous heightening of awareness of social skills. Your age group will experiment with different marriage styles, family relationships, and even business relationships in an attempt to bring fair treatment and effective communication between people. Interest and appreciation for other cultures is also strong, and your age group will work hard to preserve and support the cultural heritage of all ethnic groups.

Your strong yearning for equitable and harmonious relationships is also reflected in major advancements in trade agreements, arms control, and international cooperation that are designed and implemented by your generation. These agreements and policies foster a much safer and more cooperative environment for all, although there is also a tendency for greedy individuals to take advantage of the conciliatory atmosphere and twist situations to their own ends.

In short, you are part of a generation of individuals who are deeply interested in other people; you are a humanistic and humanitarian group. You will struggle and experiment with personal relationships, and forge new models for how people can relate as friends, family members, and members of nations as well.

*Pluto in 8th house:*

You are a person of great depth and have a deep interest in the hidden or darker side of life. Issues and experiences others shun, you are drawn to and compelled to examine. The use and misuse of personal, social, and political power intrigues you. Death is also an area you are fascinated with and may explore in depth. You may have many experiences in which you are forced to burn your bridges and start over again.
